AMENDMENT UNDER 37 C.F.R. §1.111

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

In reply to the November 29, 2002 Office Action, please amend the above-identified
application as follows:

IN THE CLAIMS:

Please replace claim 1 as follows:

1. (Amended) An organic light emitting device, comprising:

an anode;

a cathode; and

a light emission region that emits light disposed between the anode and

cathode, the light emission region including an organic light emitting material;

wherein the organic light emitting device is in an annealed condition with

heating and cooling rates from 0.5°C/min to 20°C/min.
